

Call for Speakers

31st Annual Environmental & Ground Water Quality Conference

When: **March 11, 2019** - OSHA 8-Hour Refresher & SDAEP Annual Meeting

March 12-13, 2019- Conference

Where: Ramkota Hotel - Pierre, South Dakota

The Environmental and Ground Water Quality Conference was started by the South Dakota Department of Environment and Natural Resources in 1989 as a means to periodically inform environmental consultants working in the state of any updates to the regulations. While the conference still performs this function it has expanded to include professional talks covering the environmental topics of the day and the latest technologies in assessing and remediating soil and ground water contaminated with agricultural chemicals, petroleum products, and other chemicals.

Program Format

General Topics

Site Assessment

Remediation Technologies

Case Studies

Risk Based Corrective Action

Emergency Response

Oil and Gas / Energy Development

Pipeline Development / Safety

Mining

All Topics Related to Environmental Protection and Remediation

Presentations will be limited to 30 minutes including discussion.

Abstracts will be accepted until **February 1, 2019**.
Speakers will be notified of acceptance by **February 18, 2019**. Please limit abstracts to one page.
